Most items will be between 4" to 20" (measured along the selvedge) by the width of the fabric (approximately 60"). The smallest pieces, in all but the appliqué options, will be 240 sq. in. (i.e. 4" x 60" or about 1/8 yard). **Must order in one pound increments.** We will select a sampling of pieces, some going back years and likely out of stock for some time, that fit into your selected category and make great additions to your stash. The items will be off-the-bolt, first quality, and most unwashed. These selections can include items from Rebecca's stash going back 20 years. Note that items from Rebecca's stash may have been washed because that is how she stores her stash.

Appliqué pieces will be smaller but plenty big and useful for your projects.

We will fill a box with pieces to make up the **one pound increments** you request. Pricing is \$20.00/pound, which is equivalent to paying \$18-\$20/yard (approximately a >20% discount). As with all orders, shipping will be based on UPS's charge for weight, size and distance to your address. We will do our best to pick a great variety of pieces that fit the color category you have chosen. Sorry, no, you cannot make custom requests but in turn you are getting a nice discount below retail.
